

# Get Started with Pearson's MasteringEngineering

## First, make sure you have these 3 things...

**Email:** You'll get some important emails from your instructor at this address.

**Course ID:** MAE320S01KUNZF16

**Access code or credit card:** The required access code comes either with your book or by itself at your bookstore. Alternatively, you can buy instant access with a credit card or PayPal account during registration.

## Next, get registered!

1. Go to [www.masteringengineering.com](http://www.masteringengineering.com).
2. Under the large **Register** section on the right side of the page, and click the **Student** button.
3. Read the onscreen instructions and click **US/Canada**
4. Select **Yes, I have a course ID** and enter the **Course ID** provided by your professor.
5. Next, check off whether or not you have an **Access Code**. If you don't, select your textbook.
6. After this, either **Create** a new Pearson username/password, or, if you've already registered for another Pearson product (i.e. MyMathLab), enter that username/password. If you have an **Access Code**, enter it on the bottom of the page.
7. On the next page, fill out the appropriate information fields then click **Next**. If you entered an **Access Code**, you will be brought to a page from which you can access your product. If not, enter your payment information so that you can **Purchase Access**, after which you'll be granted access.
8. You are now registered! Now, it's time to sign. Go to [www.masteringengineering.com](http://www.masteringengineering.com) and click the **Sign In** button in the top right. Enter your username and password.
